

Dear Dealer Applicant:

Thank you for your interest in NTech USA as your supplier of fine weather and measurement instruments. We strive to be a leader in portable weather instruments, and a valued vendor of your company. We understand that you are busy, and need strong support from the companies from which you purchase. In order to serve you best, we ask that you complete the attached form to be sure we have your most current information.

Please complete the Dealer Application page, and be sure to include your primary telephone number, as that will be used as your account number with us. It is also important we have an e-mail address, as we send out occasional updates and inventory notifications. If you do business under other trade names (**D/B/A**), please make sure to include that (use the "Business Name" field for your legal identity).

All orders are billed to a credit card at time of shipment. Please fill out the attached credit card form for our files. Orders over \$2,000 **MUST** be paid by wire transfer.

Be sure to include a copy of your resale tax certificate (or other appropriate license) with this application. We **CANNOT** ship product unless we have this on file!

If your company requires a vendor agreement, please fax/e-mail that as well. We will do our best to fill all requirements on shipping and billing.

PLEASE RETURN TO:

NTech USA
PO Box 284
